

## PERMANENT COURT HIRE POLICY

Permanent court hire is available at River Road Tennis Centre. To reserve your court, **full payment must be received a month in advance.**

Please note, all permanent court bookings after 5pm Monday – Friday and anytime on weekends require a 24hr cancellation notice to receive full credit. Please call or email our proshop to cancel your court.

River Road Tennis does not offer court hire refunds for wet weather or early cancellations.

### WET WEATHER

The synthetic courts at River Road drain water exceptionally well. The courts will only be unplayable after prolonged, heavy rain.

Court playability is determined solely by centre management. **In the event of wet weather, please call our Proshop to ensure court playability.** If the courts are playable, failure to do so will result in loss of full payment.

If the courts are deemed unplayable, a credit will be applied to your account, and you will pay a reduced cost for your next monthly instalment.

If your session was interrupted due to wet conditions, you will only receive a credit if more than half your session was washed out – again, this is at our staff's discretion. Please see Proshop staff on duty to determine if you qualify for a credit.

### DISCOUNTED COURT HIRE

For discounted court hire, permanent clients may wish to explore our Lane Cove Tennis Membership. Please visit our [website](#) for more information of membership prices and benefits.
